

# How to Access Feedback from Teachers

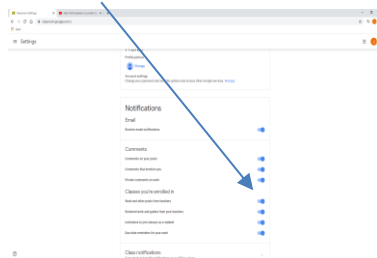

1. Click on the 3 lines at the top of Classroom page

2. Your classes will appear down the side of your screen. Scroll down to the bottom and click on settings.

3. Ensure that all the notifications are turned on.

- You should now receive notifications and a gmail email that alerts you to the fact that a member of staff has privately messaged you. You then go back to that assignment to read the feedback given.
- Teachers give individual feedback by using the private messaging function. You should regularly check their Gmail email which can be found by clicking on the nine dots at the top left of the screen and then by clicking on the Gmail icon.
